

Get On-line. Stay Connected.

...because it's your home.

Building your home should be a rewarding and exciting process, not a source of frustration and anxiety. Our goal is to meet all of your expectations while keeping you involved and connected to the entire process.

We have a new way to stay connected.

Imagine detailed information, timely communication and consistent involvement - 24/7 - from any web browser. Now you are imagining the reality of doing business with Thomson-Sailors.

When we build your home, you can use our on-line system to stay connected. Simply go to any web browser and it's all at your finger tips:

- ▶ Track the progress of your home
- ▶ Communicate electronically
- ▶ View photos and video clips
- ▶ Sign change orders electronically
- ▶ Finalize all selections
- ▶ Access documentation and drawings
- ▶ Track costs and avoid surprises at closing
- ▶ Submit Warranty Items and Service Requests.
